Information for Renting Black Heron Spirits

Thanks for interest in renting our facility. Here are the details you will need to consider:

- ❖ Is our space big enough to accommodate your group?
- ❖ We have an occupancy level of 49 in the tasting area. If the weather permits you can use the outside courtyards too.
- ❖ We have a kitchen area set up for a caterer to come in and serve from. We do not have a full kitchen for cooking.
- ❖ You will need to obtain a banquet permit, in most cases. This is done through your local liquor store. It needs to be done 2 weeks in advance. The cost is \$10. There are some exceptions, so I would check on the state website about the different permits.
- ❖ We can sell you liquor by the bottle. We cannot sell individual drinks. You can bring in any alcohol you have purchased and consume it here.
- ❖ We can mix drinks for your guests. We do not stock mixers. You will need to provide those and purchase alcohol from us.

Some extras we offer:

- ❖ Music
- ❖ We could wear costumes of the 1920's era.
- ❖ Tours
- ❖ Firepit available in spring
